MULTIMEDIA JOURNALIST · 570-404-5029 · ALEXANDRIAMANSFIELD.COM

**WHO AM I:** I have always loved reading, writing and editing. Since April, I have been an Associate Managing Editor at The Villages Daily Sun. I moved to this role from previous positions as education and political reporters and a senior copy editor for Florida’s largest daily circulating newspaper. At the Daily Sun, my responsibilities have included a variety of high-profile interviews, investigative projects, coaching other journalists and improving upon the overall merit of the newspaper. While here, I have been able to tell inspiration stories and inform the public about important policies. With my skills and passion for journalism, I aim to teach future writers best practices.
